The Esso Youth Sport programme has become the foremost sponsorship scheme for young people in the United Kingdom.

In athletics we are supporting the AAA Five Star Award scheme which we believe can help produce the international athletes of tomorrow. In swimming, our sponsorship of the National Age Group competitions in England and Scotland and the Inter-County knock-out competition, together with our continuing support of the National Youth team, will help maintain the very high standards of previous years.

Esso also retain a keen interest in other youth sports, particularly soccer and rugby union. I would like to express my gratitude to all the officials and competitors who participate so enthusiastically in our events. I hope that 1980 has been a successful year for you all.

A.W. Forster
Chief Executive
