**YOUTH  
SPORT**

Someone once wrote an essay called 'The Human Race!' The writer suggested that whenever adults are faced with a group of children, they organise a race.

The Esso Youth Sport Programme has, I believe, aims that are rather more worthwhile.

Through eleven years of continuous sponsorship Esso has encouraged several million youngsters to participate in a variety of activities which include Athletics, Basketball, Cricket, Rugby, Soccer and Swimming.

In this way we have tried to further the talents and ambitions of Britain's sports men and women of the future, and we hope, give you entertainment and pleasure today.

## SCOTTISH AMATEUR SWIMMING ASSOCIATION

### ESSO SCOTTISH AGE GROUP CHAMPIONSHIPS

#### PRESIDENT'S ADDRESS

It is my pleasure as President of the Scottish Amateur Swimming Association, to extend a warm and sincere welcome to all swimmers and officials to the 1984 ESSO SCOTTISH AGE GROUP CHAMPIONSHIPS and to all spectators supporting this important event.

Ever since their inception, these Championships have demonstrated great appeal and attraction to swimmers from all parts of Scotland. This year again, the number of individual entries received proves indeed the attraction of these Championships.

The Scottish Amateur Swimming Association is very much indebted to ESSO for their sponsorship of this event and for their continued generous support for Scottish Swimming. They deserve our sincere thanks for the manner in which they support the youth of Scotland in our sport. Events of this quality could not be sustained without their help and the Association are very appreciative.

I know that all swimmers enjoy the opportunity to compete in the Royal Commonwealth Pool and the Association is again indebted to the City of Edinburgh District Council for the use of these excellent facilities and to Mr Jack Allan and his staff for their co-operation.

The staging of these Age Group Championships has necessitated a considerable amount of work and we in the Association thank Mr. Andrew Taylor and his Organising Committee for their time and effort in ensuring their success. Our thanks also go to all the pond side officials and other volunteers who give up their time and leisure to ensure the efficient organisation of the nine sessions of the Championships.

### Cards

Cards are not to be "posted". Swimmers Reserves will be expected to present themselves to the competitors stewards in ample time for their event. Cards are to be handed to their lane timekeeper. Reserves will be called upon if there are any withdrawals.

All heats are Fina seeded (SW3.1.2).

### Warm up

The main pool will be under control of the Coaches' Association. There will be no fifteen minute break between Heats and Finals but warm up for finals may continue in the teaching pool and the diving pit under the control of the swimmer's coach during the session. Noise and abuse of this facility may cause its immediate withdrawal.

### Announcing/Commentary

During a heat the names of swimmers for the following heat will be given and the times for the previous heat will be announced.

Names of Finalists will be announced between events, not between heats.

The Electronic Scoreboard will give winning times only of heats and all times for Finals and Declared Winner events.

### Rule 34(10) Withdrawals:

(1) (a) In the case of withdrawal from heats, semi-finals or finals in swimming, diving or synchronised swimming events at any Scottish Championships, the competitor or club shall pay without any excuse (except in the case of genuine illness or proven emergency) such sum as may be determined by Council and confirmed by the A.G.M.

Any competitor withdrawing from a final in such a manner as to prevent a reserve taking part (except as stated above) shall be suspended immediately from all further events at the Championship.

### Tracksuits

National tracksuits or part of tracksuits **are not to be worn** during any event other than a National representative competition. Medal winners are to be correctly dressed in their club tracksuits for presentation purposes.

### Presentations

Presentations will take place immediately after the following event. All finalists are to go **directly** to the presentation steward on completion of their final. Presentations to relay teams will be to the complete winning team and to the team captains only of places 2-8.

## ARE YOU ENJOYING THE GALA?

We hope so- but to organise this event a lot of people are required to give their time and talents such as an Organising Committee, Swimmers, Coaches, and Officials. The latter are required to ensure that the Gala is conducted in accordance with the relevant rules so that every competitor is given a fair and equal chance.

Would you like to become an official?

To do so you require to be:—

- a) a member of a Club affiliated to the SASA, and
- b) sit the examination for Timekeeper.

The examination this year for all Officials is on SATURDAY 10 NOVEMBER 1984 commencing at 2 p.m. Lectures will be given prior to the examination at various centres and all candidates are advised to attend these lectures. In the past candidates have not and then wonder why they have failed the examination. There is more to Timekeeping than starting and stopping the watch but then in Scotland we are proud of the standard of officiating which is to the benefit of the swimmers.

If you are interested please complete the appended form and return as directed to the District Representative named below from whom further details as to lectures can be obtained:—
