A Message From The Convenor of Fife Council

As Convenor of Fife Council it is my pleasure to welcome the Scottish National Winter Open & Youth Championships to the Carnegie Leisure Centre, Dunfermline, Fife.

I do appreciate the significance of this event as some competitors will be using it in preparation for the Great Britain Winter Championships to be held in Tollcross, Glasgow from the 17 - 20 December.

I wish each and every one of you a successful and pleasant visit to Fife and I hope that everyone performs to their maximum ability. I am sure the standards will be very high and that the 500 swimmers, coaches, parents and officers from Scotland, England and Ireland will enjoy the competitiveness which I am sure will go a long way to making it a tremendous success.

John W. MacDougall, J.P.

MESSAGE FROM THE PRESIDENT

A very warm welcome to spectators, parents, families and swimmers to the Scottish National Open Winter Championships.

SASA is delighted to return to Dunfermline after five years and we are assured of excellent facilities including a five lane, 25 yards training pool.

To the competitors and coaches, I wish you all every success in achieving targets. Thanks are due to Fife Regional Council as well as the Carnegie Centre Management and Staff for their assistance and co-operation before and during the Championships.

The Championships would not be possible without the dedication of the Meet Management Committee and Technical Officials, to whom I record my sincere appreciation.

ROBIN DALE
