Mr J. H. Sheddell intimated that he had called his committee together & discovered that with one exception they were all in favor of holding a supper instead of a smoking concert.

They has decided to again approach the association to get them to verify their decision or otherwise.

In the meantime they made the necessary arrangements for carrying through both a smoker and a supper so that whatever decision the Assocⁿ gave no time would be lost in making arrangements.

Motion of
Mohon

The chairman ruled this motion out of order, & in the course of his remarks, stated that if any difficulty existed as to intent and meaning of Rule 34, page 16, & the proper authority to settle any difficulty arising was the General Committee of Rules & as provided in Rule 27, page 13. He further stated that in his opinion the rule intended to prevent anyone from competing either in one event or confused ~~other~~ events for more than one club. He offered the meeting, if this was not their unanimous opinion, the opportunity of naming any contrary interpretation, & no member taking advantage of the offer, the chairman's interpretation became the finding of the meeting. H J R Sheddern then reported Breaches of the Thrush & Harp of the South Side for having broken the rules.
