

SCOTTISH AMATEUR SWIMMING ASSOCIATION

1970

Central Baths, Dundee **Saturday, 7th November**

Gala Officials: Starter, Judges and Timekeepers
from S.A.S.A. List.

Gala Convener: Peter Smith, Esq.

Price 2/-

It is appropriate that the last National Swimming Contest of a very busy competitive year, should be our Age Group Finals. It is, therefore, with very real pleasure, that I welcome all our young swimmers to this important occasion.

This is the sixth year of these Championships, but the first time they have been televised. I am sure that with the usual enthusiasm and a high standard of swimming, as well as encouragement of spectators, viewers at home will be entertained, and the B.B.C. will wish to televise these Championships again.

I warmly congratulate the swimmers who have reached these finals, and I wish all, much success, and hope that everyone will attain at least a personal best time.

Our Association is grateful for the civic recognition, hospitality and accord of Dundee Town Council, as well as the co-operation of the Baths Manager. We are also grateful to the bottlers of Coca-Cola for continuing encouragement and support of Scottish Age Group Swimming. On this occasion, by the printing of this programme, and in presenting Certificates to winners, as well as badges to all finalists. This, in addition to generous help regularly given to our advanced training. We are also indebted to Midland District Convener Mr. Peter Smith, and our General Secretary, for the many arrangements and preparations involved. I earnestly ask all competitors, officials and spectators to co-operate with the organisers in helping to complete this programme expediently, enjoyably and successfully.

With my very best wishes to everyone.

JAMES REID
President S.A.S.A.

SESSION No. 1 — 10.00 a.m.

Support for Swimming

The Coca-Cola Bottlers have been involved in the sponsorship of swimming at all levels for six years. Schemes at present in operation include the ASA/Coca-Cola Bottlers' National Training Scheme in England, the National Development Plan for the Scottish National and International Squads, and Age Group Swimming in Ireland and Wales.

The Dolphin Trophy Scheme in England and Wales encourages primary schoolchildren to learn to swim. In Scotland, an incentive awards scheme, administered in partnership with the Scottish ASA and the Schools Swimming Association, is the mainstay of swimming development for all Scottish schoolchildren.

BOTTLERS OF **Coca-Cola** AND **Scottish** **swimming**

The Coca-Cola Bottlers are involved in comprehensive sponsorships of Scottish swimming as part of a world-wide policy in support of sport.

Present schemes include sponsorship of a training scheme for the Scottish national and international swimming teams, and support for the annual National Age Group Championships.

The Dolphin and Trident Trophies are integral parts of a comprehensive training system within Scottish primary and secondary schools. This incentive scheme encourages children to learn to swim in the constant fight against drowning.
