**MESSAGE FROM Mr. JAMES W. WILLIAMSON,
President, S.A.S.A.**

It is my pleasure on behalf of the Scottish Amateur Swimming Association to offer to all our foreign visitors, competitors and officials, a very warm welcome to Scotland's Capital City – EDINBURGH, and in particular to the Royal Commonwealth Pool.

This International size Pool was opened by H.R.H. The Princess Anne in January 1970 and in July of that year was the venue of the 1X British Commonwealth Games in which fourteen Swimming Nations took part.

The Eight Nations Contest is sponsored by the joint venture of "The Scotsman" and The Royal Bank of Scotland, ably supported by the British Broadcasting Corporation – the latter having done so much to advance public interest in our sport.

I hope that you all enjoy your short stay in Scotland, that the Contest will be of a high standard and showing good sportmanship. Lastly, that this meeting of Swimming Nations will help strengthen International friendship.

**MESSAGE FROM THE RT HON. JACK KANE, O.B.E.
Lord Provost of the City of Edinburgh.**

The art of swimming is thousands of years old and is one of the foremost events in all composite Athletic Contests.

This year, Edinburgh welcomes the 8 Nations Swimming Contest to the City, as yet another major International Event in the Athletic Calendar. I extend greetings and a most cordial welcome to all those taking part in and associated with the event.

MESSAGE FROM Mr. HECTOR MONRO, M.P.
Parliamentary Under-Secretary for Health and Education, Scottish Office.

As the Minister responsible for Sport and Physical Recreation in Scotland, I am very glad to welcome everyone associated with the teams taking part in this contest. The 'Eight Nations' competition provides a splendid opportunity for young swimmers from different countries and climates to test their skills against one another and, equally important, to meet and form new friendships with kindred spirits from other nations.

We are honoured that this year's contest is being held in Scotland and proud that the teams are using our magnificent Royal Commonwealth Pool. I know that the competition will be keen and I am greatly looking forward to seeing the teams in action. I am sure that the event will be stimulating and rewarding to all taking part, irrespective of the nation which emerges as the winner.

May I wish all team members and officials a happy, successful and memorable visit to Scotland.

MESSAGE FROM Mr. PETER HEATLY, C.B.E., B.Sc., F.I.C.E
Chairman of the Organising Committee.

The swimming enthusiasts of Scotland are proud to be hosts to the Eight Nations Contest and glad of the opportunity to make our contribution to the growing importance of this particular event in the swimming calendar.

This year the contest is one of the stepping stones to the Olympic Games in Munich and the excellent facilities of the Royal Commonwealth Pool will give all the competitors the fullest opportunity to set new standards for this friendly and exciting event.

We welcome the presence of Mr. Hector Monro, M.P., the Minister responsible for Sport and Physical Recreation in Scotland, and thank him for the encouragement and support he gives to our sport.

May I, on behalf of the Organising Committee, express thanks to the City of Edinburgh for their contribution to the success of the event and the Lord Provost for the kind hospitality extended to all the competitors and officials.

Thanks are also due to The Royal Bank of Scotland and "The Scotsman" for so generously sponsoring the event.

Finally a word of thanks to the large number of enthusiasts who have made this contest possible — the officials, the stewards, and our supporters in the spectators' seats.

THE SPONSORS

I would like, on behalf of "The Scotsman", to thank all the competitors and their respective coaches for coming to take part in this international event. We are pleased to be involved in the sponsorship of events which bring the foremost athletes from other countries to this magnificent pool to compete against Scottish swimmers.

I would also like to thank The Royal Bank of Scotland, with whom we are jointly sponsoring this event, and the Scottish Amateur Swimming Association for organising this international swimming contest.

The Royal Bank of Scotland

One of The Royal Bank's main sponsorships this year is The 8 Nations Swimming Contest.

Scotland has at present many young, up-and-coming swimmers and, of course, many with proven ability. Such a blending of youth and experience can only augur well for the future.

Competitive spirit with friendly rivalry are both essential within this sport and to this end The Royal Bank welcomes the opportunity to be able to encourage swimming in Scotland. We have here, at The Royal Commonwealth Pool, one of the finest pools in Britain and the other facilities second to none.

It is in this atmosphere that The Royal Bank wishes the Contest, its officials and swimmers all success throughout the years to come.
