A WORD FROM THE PRESIDENT

It is my pleasure on behalf of the Scottish Amateur Swimming Association to offer to all our Spectators, Competitors and Officials a warm welcome to the City of Edinburgh and in particular the Royal Commonwealth Pool. The R.C.P. held the very successful IXth British Commonwealth Games in 1970 and we in the Association realise that we must use this venue if the best facilities possible are to be offered to our swimmers.

I therefore take this opportunity of wishing all Swimmers and Divers every success, I am certain that the Junior swimmers seen this week will in many cases be representing Scotland in International Contests in the near future.

The Championships this year are again receiving Television Coverage, the presentation, through this agency I may add has done so much to advance public interest in our sport.

To our spectators, thank you for supporting all our young swimmers of Scotland and your presence at the Scottish National Championships of 1972.

JAMES W. WILLIAMSON,
President, S.A.S.A.

A WORD FROM OUR SPONSORS

At a time when one reads much of the "drug scene" and unrest amongst young people, it is encouraging to be associated with the "young generation" who are active and alive to the fact that there is much to be gained from life.

As a sponsor of these championships, I should like to welcome everyone who participates, whether actively or by their presence as spectators, and to hope that all the careful planning culminates in the best Scottish Amateur Swimming Championships yet held.

Records are made to be broken, and I, personally, look forward to seeing the Scottish records high upon the national scene, and so I officially welcome the championships and everyone attending.
