President's Message

On behalf of the S.A.S.A. I should like to welcome you all to the 1977 Milk for Energy National Swimming Championships. Whether you are a competitor or a spectator I am certain you will find the events exciting and entertaining.

The Association are indebted to a number of people without whose support these Championships would not be possible. Firstly the Provost; the Baths Convener and Council of East Kilbride for the use of these fine facilities, with added thanks to Mr. E. Glen and his staff for first-class assistance and cooperation at all levels.

Our Sponsors, the Scottish Milk Marketing Board, are due our grateful thanks and in particular Mr. R. M. Kennedy, Scottish Sales and Promotion Manager ably assisted by Mr. Bruce Maclachlan. In addition to their overall sponsorship the S.M.M.B. have produced this programme for which we are further indebted as it represents a considerable financial outlay.

Mr. Bob Burnett of Cronus Timing Ltd., has supplied the digital stop watches being used during the Championships.

Thanks are also due to Mr. Hugh Dobbie, Mrs. Margaret Houston and the Organising Committee for their careful and purposeful planning.

The Officials, whose duty it is to see that the competition is run according to the rules, are to be thanked for their enthusiasm and dedication.

There remains only for me to wish all the competitors well in their endeavours and the spectators enjoyable championships. Thank you all for your support.
