# Message from the President

---

On behalf of the Scottish Amateur Swimming Association, I have much pleasure in welcoming you to the Scottish Short Course Championships.

The Association is, once again, greatly indebted to our sponsors, **DEBENHAMS**, not only for their generous financial support, without which this important event could not be sustained in its present form, but also for their personal interest and participation.

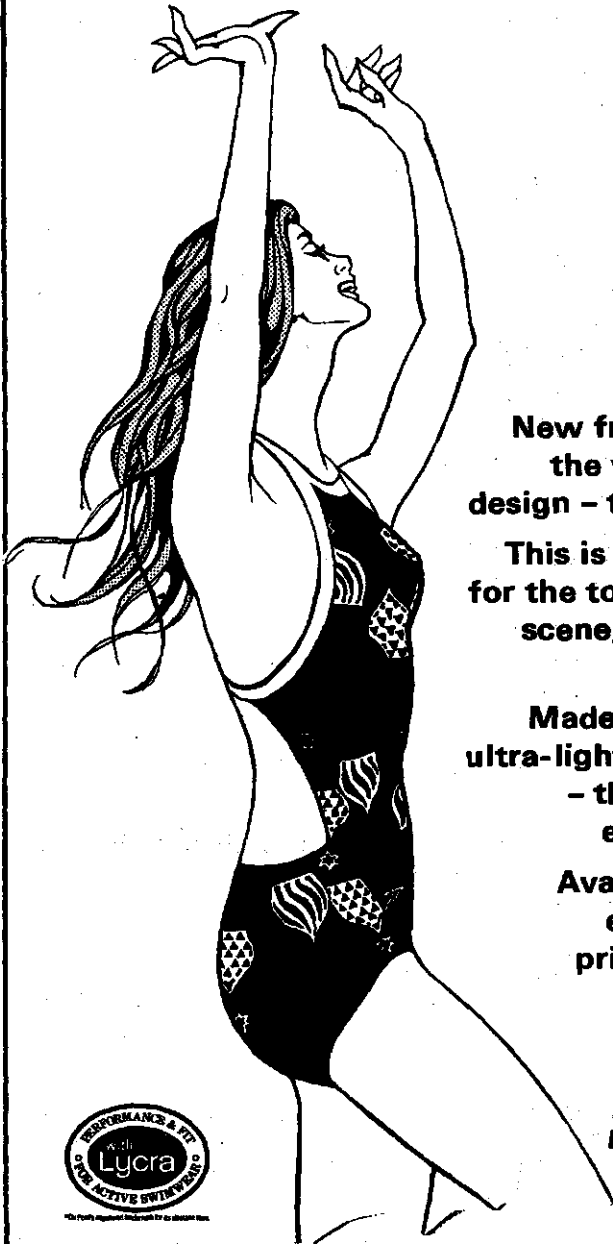

As always, Stirling District Council and the staff of the Provost Pool have given us every help and consideration and are to be congratulated for the excellent facilities provided. Sincere thanks are also due to the Conveners and members of our Championships, Swimming and Organising Committees for their sustained hard work and to all Technical Officials, announcers and stewards for their turn-out and expertise.

Although nearing the end of the year, we are in fact approaching the beginning of an important competitive season in which Scottish swimmers will have the opportunity to compete in Bremen, Amersfoort and Paris. Accordingly, I think we can all look forward to some top class swimming with sights on times and records as well as Championship medals.

Finally, may I take this opportunity to wish all of you a Very Merry Christmas and a Happy and Prosperous New Year.

R. Allan Robertson,  
PRESIDENT.

Debenhams, with 72 Department Stores, are keenly promoting leisure activities, and indeed, in the past four years, have opened, within the Stores Group, many Sports Departments, including one at our new store in Stirling.

On behalf of Debenhams, may I not only wish every success to the competitors in these Championships, but also much enjoyment to all the spectators.

# Stops time instantly.

Now you can time an event or a practice session with unbeatable accuracy. For our quartz, digital stopwatches stop time within hundredths of a second so reliably that sports bodies all over the world use them for official time-keeping. What's more, they're easy to use, far tougher than ordinary stopwatches and stylish to look at and handle.

We've ten models from simple, inexpensive single eventers to sophisticated timers that record lap times, interval times, split times and total times.

They all have failsafe indicators to give you plenty of warning when the batteries need replacing.

And they're distributed and serviced by Rotary watches.

So don't waste time. Get a Cronus.

From sports shops and jewellers  
from £27.50 to £99.50.
