The Association are indebted to C & A for their sponsorship of the Championships and to Dunfermline District Council for providing the facilities.

We also welcome the presence of BBC Television cameras and hope to see them at many more of our Championships.

# THE SCOTTISH NATIONAL SPRINT CHAMPIONSHIP

## CONCEPT

The Championships are a new and unique idea to British swimming. The whole concept is born out of the idea to give swimmers an event totally encompassing only fast short distance swimming in an exciting atmosphere to hopefully produce an environment which will produce excellent competition and individual performances.

Although a head to head in a knockout situation is new to British swimming, it does take place in Australia where it has proved very popular with swimmers and public alike.

## THE COMPETITION RULES

**50m FREESTYLE** The 12 fastest qualifiers from the heats will progress to Round 2, and swim in 2 seeded heats. The fastest 4 qualifiers from Round 2 will progress to Round 3 (semi-finals). Round 3 will be swum as 2 heats of 2 swimmers head to head racing. The winners of each heat will meet head to head in the final proper.

**50m BACKSTROKE** The 12 fastest qualifiers from the heats will progress to round 2, and swim in 2 seeded heats . The 3 fastest qualifiers from Round 2 will qualify for the final.

**50m BREASTSTROKE** The 12 fastest qualifiers from the heats will progress to round 2, and swim in 2 seeded heats . The 3 fastest qualifiers from Round 2 will qualify for the final.

**50m BUTTERFLY** The 12 fastest qualifiers from the heats will progress to round 2, and swim in 2 seeded heats . The 3 fastest qualifiers from Round 2 will qualify for the final.

**100m INDIVIDUAL MEDLEY** The 6 fastest qualifiers from the heats will swim in the final, which will be swum in the same session as the heats.

WOODCHESTER CO LTD ARE VERY PROUD TO BE ASSOCIATED WITH SCOTTISH SWIMMING

WOODCHESTER DESIGN SERVICE HAS DEVELOPED A TACTEL TRACKSUIT SPECIFICALLY FOR SCOTLAND. THE TACTEL TRACKSUIT IS UNIQUE IN AS MUCH AS IT IS OF LIGHTWEIGHT MATERIALS WHICH KEEP THE SWIMMER COOL ON POOLSIDE BUT BECAUSE OF THE CLOSE WOVEN STRUCTURE, WILL NOT ALLOW THE WIND TO GO THROUGH IT. IT IS THEREFORE THE IDEAL MATERIAL FROM WHICH TO MAKE TRACKSUITS.

THE WOODCHESTER COMPANY MANUFACTURE HIGH QUALITY TRACKSUITS, TEA-BAG 'T' SHIRTS PRINT SWIMMING CAPS, 'T' SHIRTS, SWEAT SHIRTS AND SPORTS BAGS ALL IN CLUB COLOURS AND WOULD BE PLEASED TO RECEIVE INQUIRIES FROM SCOTTISH CLUBS, COLLEGES, SCHOOLS, ETC.
