## 10. Dive Sheets

We would like you to submit your dive sheets electronically using DiveSheets or its online version on the DiveRecorder website. Most of you will be familiar with those methods and there is also the app, ADiveSheets, which allows divers with Android

smart phones or tablets to submit their own sheets and which has the advantage of remembering their personal details for use for future Meets.

If you don't already have DiveSheets or if your version is less than 7, you can download and install it from: <http://www.diverecorder.co.uk/dive/download.php>

Once you have installed or updated DiveSheets, run it and follow its prompts to download the Meet file "Scottish National and Open Diving Championships".

Individuals may complete their dive sheets online at:  
<http://www.diverecorder.co.uk/onlinesheets/>

To find the free app ADiveSheets in the Play Store, use your Android device to click on the ADiveSheets icon on the following web page:  
<http://www.diverecorder.co.uk/dive/android.php>

You can also access the ADiveSheets online Help from the same page or from the link in the app if you are not sure how to use ADiveSheets.

Please submit your sheets using any of the above methods on or before Monday 28<sup>th</sup> November 2016 (Sheets may be changed up to 1 hour before the event start time).
