Scottish Long Course Ranking Lists December 1997

Issue 1 - 15-12-97

© Scottish Amateur Swimming Association 1997

Introduction

Welcome to the first edition of the Scottish Long Course ranking lists which has been produced in conjunction with ASFGB and SportSystems.

As this is still in the experimental stages it may not be entirely correct and I would ask you to contact Bob Dyett with any ommissions, comments or suggestions.

The results infromation has come from a list of Long Course Meets meets within GB for which computerised results were available. Listed below are the most likely meets from which the Scottish lists come from.

If a particular result does not appear in the list then it may be:

a The meet not being included as results were not available.
b The swimmer was entered with details which did not exactly match the SASA registration data base.
c The swimmer is not "Scottish"
d The swimmer's registration is not up to date.

In future it will be the responsibility of meet organisers to ensure than the meet results are sent to SASA for inclusion in future ranking lists. The preferred format is SportSystems, but details are available from the District Swimming Conveners of a neutral file format which can be used to transfer results from meets run using bespoke software or proprietary database or spreadsheet packages. The responsibility for the conversion rests with the meet organiser. It should also be noted that from now on the club codes must be the new four character codes, e.g. WCGX for City of Glasgow, and full dates of birth are required in the following format - dd/mm/yyyy.

In 1998 we plan to issue Short Course ranking lists so meet results from Short Course meet can also be submitted.

List of Meets Included

(not the complete list)

ASA Long Course Championships
ASA National Age Group Championships
British Grand Prix Final
Best of the West - Millfield
Canadian National Championships
European Junior Championships
European Youth Olympic Days
European Championships
World Student Games
Scottish National Open
Scottish National Youth Championships
East District Time Trials
British Winter Nationals

Ranking Lists produced by ASFGB using SportSystems National Ranking Software.
