*Thank you for your letter. I am so sorry that I will not be able to attend. After hearing about the change of date I decided to, hopefully, get some warmer weather in Tenerife. The new venue and arrangements would have been a preferred option.*

*Very best wishes to all for an enjoyable evening.*

*John, Happy New Year to you and Trish  
Thanks for this communication. This makes more sense to Dad as he couldn't  
understand why the change was. I just said things were progressing to make it more  
meaningful for those still actively involved in swimming.  
As it is, Dad is highly unlikely to attend this year, wherever it is and whenever it is.  
He rarely goes out without support. I know that I am more than welcome to attend too  
but he's so wobbly on his feet....

**Mr & Mrs D Downie (2014)**

*Hi John,  
It is unfortunate, but Susie and I will have to withdraw our acceptance to the PP  
dinner.  
My Dad has badly broken his ankle which means our baby sitters are no longer  
available. We also have Aiden's birthday party at Noon on the Sunday, so it was  
becoming a logistical nightmare. (We couldn't get any other time slot for the party).  
I will still be at the AGM.  
David Downie*
